This Months Program

Pending Program
This pending presentation will be on the Wolf River Coils vertical antenna system. I will be demonstrating the first antenna with a bottom loading coil, and the second antenna will have the center loading coil. They will both be tuned to the 40 meter band.

I have cancelled the Club meetings for June and July, due to the increase in the coronavirus pandemic. I will update you on the latest news by Email, as to when it is safe to schedule a Club meeting. Stay tuned.

Also, as a reminder the Club membership renewals are now due.
Address: P.O. Box 5031
Anaheim, CA. 92614-1031

Have a safe 4th of July
Dennis
All events cancelled until further notice.
